Custom Bedspreads, Coverlets, Bedskirts & Duvet Covers

Ordering bedspreads and coverlets requires exact measurements with mattress dressed in sheets and blankets for accuracy (motorcoach orders please refer to additional instructions online for measuring corner radius).

Drop length of bedspread and coverlet is from top of mattress to desired length below box spring; bedskirt drop length is from box spring to floor or desired length. For duvet covers, simply let us know dimensions of the duvet/comforter to be covered.

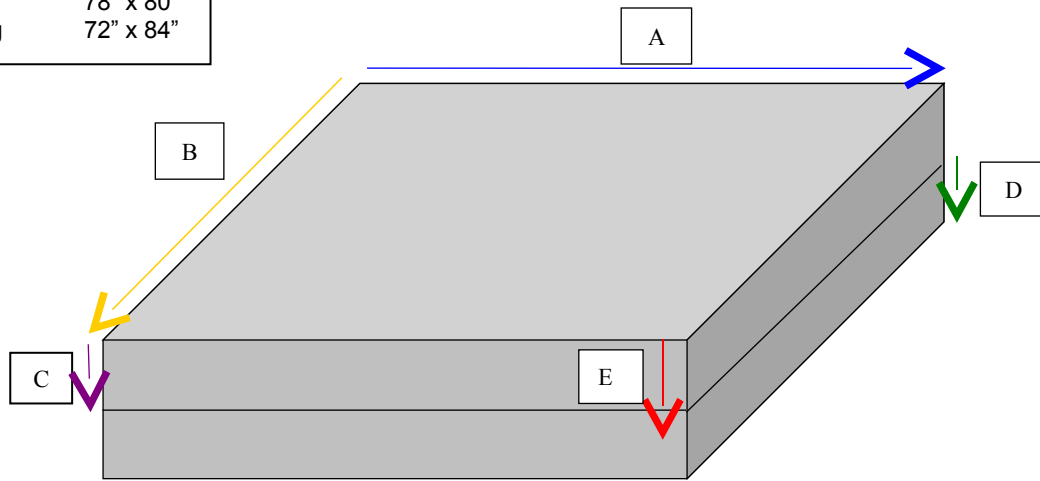

Order either online – if your design does not require a visual aid – or print out this form and fax to us at (541)998-6708.
